

# EasySnacking™

EasySnacking™ is an innovative and stylish packaging solution that includes a convenient spoon in the lid. It is perfect for a range of easy meals on-the-go.

## Key Benefits

- Includes a beautiful spoon in one piece
- The spoon is in the lid and easy to get hold of
- High lid for both topping and spoon is available
- Soft and sleek look through smooth lines
- Perfect for snack meals on-the-go
- Handy and re-closable
- Optimised for stacking
- Premium image quality with In-Mould Labelling

## Handy pack for on-the-go snacking

More and more people eat on the go: Breakfast on the way to work; an energizing afternoon snack; a noodle dish or a sweet treat before the next meeting. EasySnacking™ is a handy pack for a multitude of these quick and easy meals. The pack is an innovative and elegant solution with a sleek spoon in the lid - ideal for a broad range of convenience food such as soups, stewed fruit, ice cream, yoghurt and any other dairy product.

## Great functionality

Apart from offering outstanding convenience and functionality, the pot is re-closable, stable and optimised for stacking - filled or empty. It is microwave, dishwasher and freezer safe. EasySnacking™ was honoured with a Scanstar in the Nordic Packaging Competition of the same name.

## Ensures effective on-shelf presence

On shelf, the pack looks enticing to end-users: With hi-tech in-mould labelling the brand identity is maximised. Colours, pictures, decorations and trademarks are rendered in premium image quality.

## Super spoon – easy to grab

Just like the injection moulded plastic pot as a whole, the spoon is beautifully designed. It is in one piece and a delight to hold. The spoon is integrated into the lid and very easy to grab, simply by removing the self-adhesive peel-off label on top of the plastic lid.

## Available in two versions and sizes

The square EasySnacking™ pot features attractive smooth lines and gives a soft impression. The design is available in two versions: one with a spoon in the lid and one with a higher lid with room for both a topping – crunchy or liquid – and a spoon. Choose a brimful of 210 ml, 300 ml or 520 ml. The two lid types fit both volumes.

# EasySnacking™

Volume brimful (ml)	Dim. (mm)	Base	Lids			Decoration
			On-the-go	On-the-go & topping	Peel-off	
<b>EasySnacking™ Square</b>						
210	89 x 89	8851	8857/8867	8858/8868	8866	IML/peel-off label/SAL
300	89 x 89	8853	8857/8867	8858/8868	8866	IML/peel-off label/SAL
520	89 x 89	8855	8857/8867	8858/8868	8866	IML/peel-off label/SAL
